

Crack Sealing and Waterproofing

Direct Fired Asphalt Melting Kettles

10 gal Direct Fired Asphalt Melter

Tank Capacity (Gallons)

10 GL

30 GL

100 GL

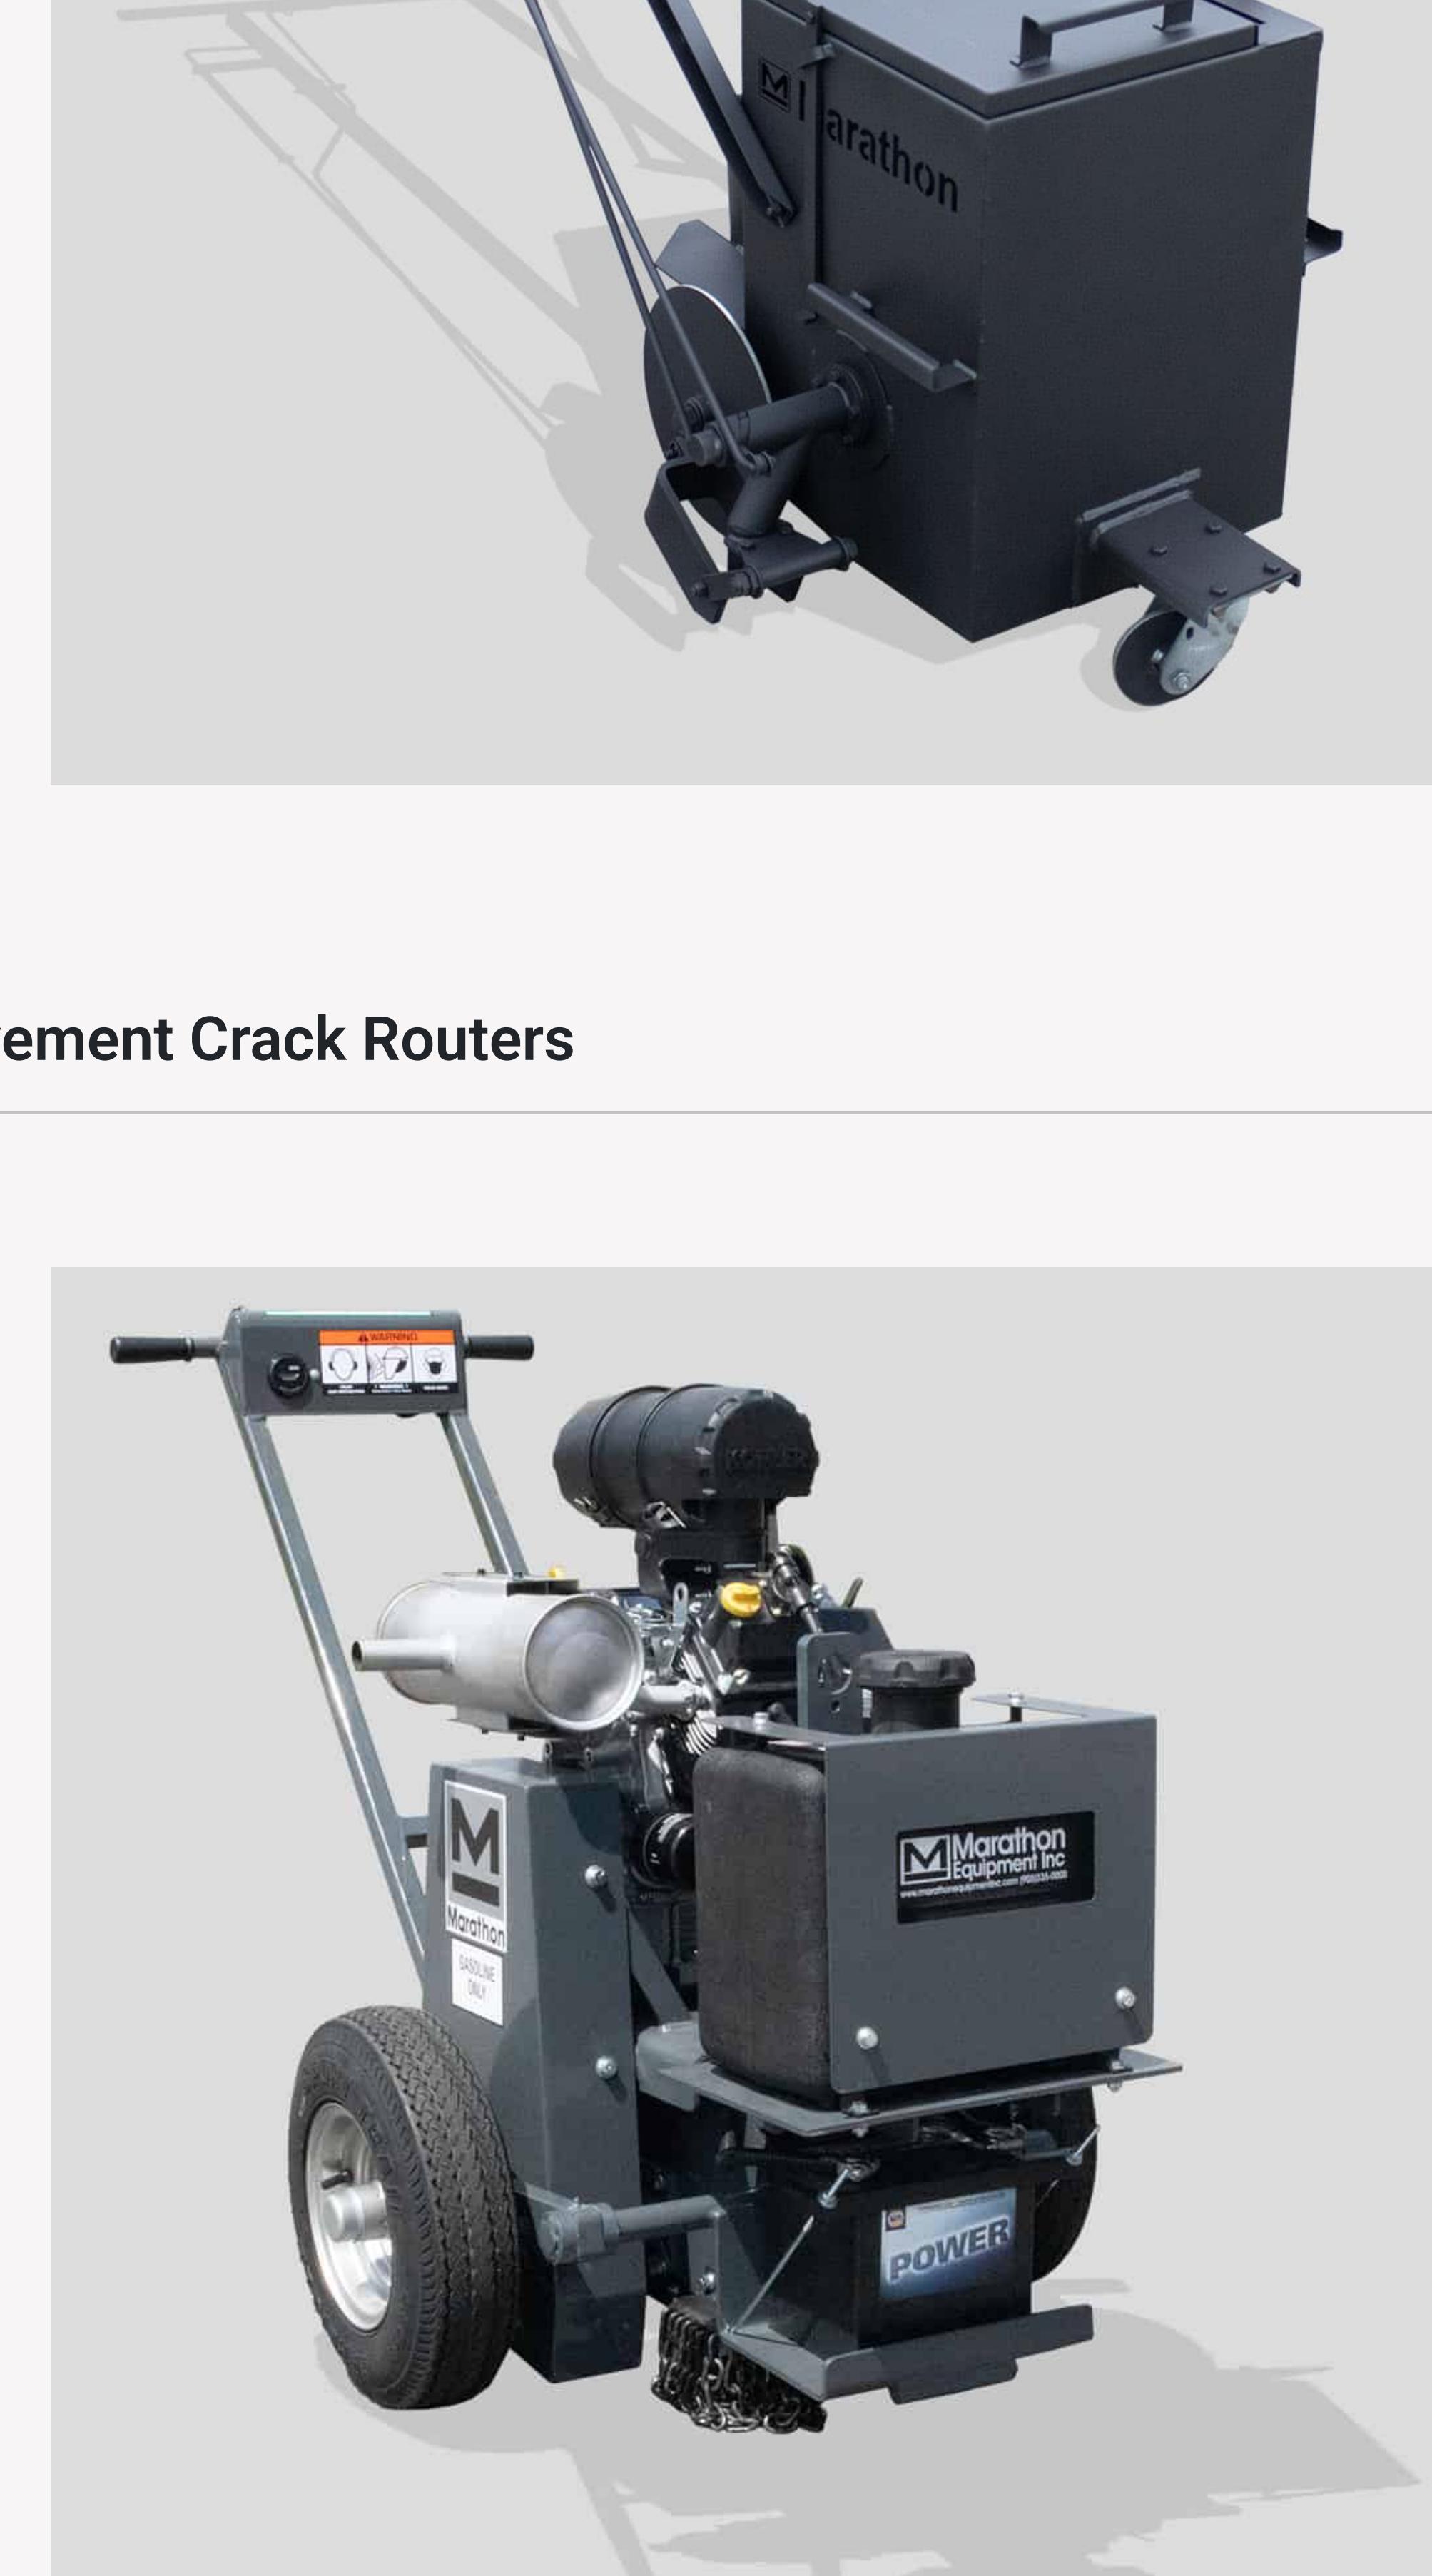

The 10 gallon walk-behind melter box is mounted on steel wheels and is equipped with a spring loaded hand release valve for easy release of material. This unit comes equipped with a material temperature gauge, 80,000 BTU propane burner, propane hose with regulator and steel shoe for striking off sealant in a uniform width.

Pavement Crack Routers

27hp Crack Router

Filtering System

Standard

Dust Collection

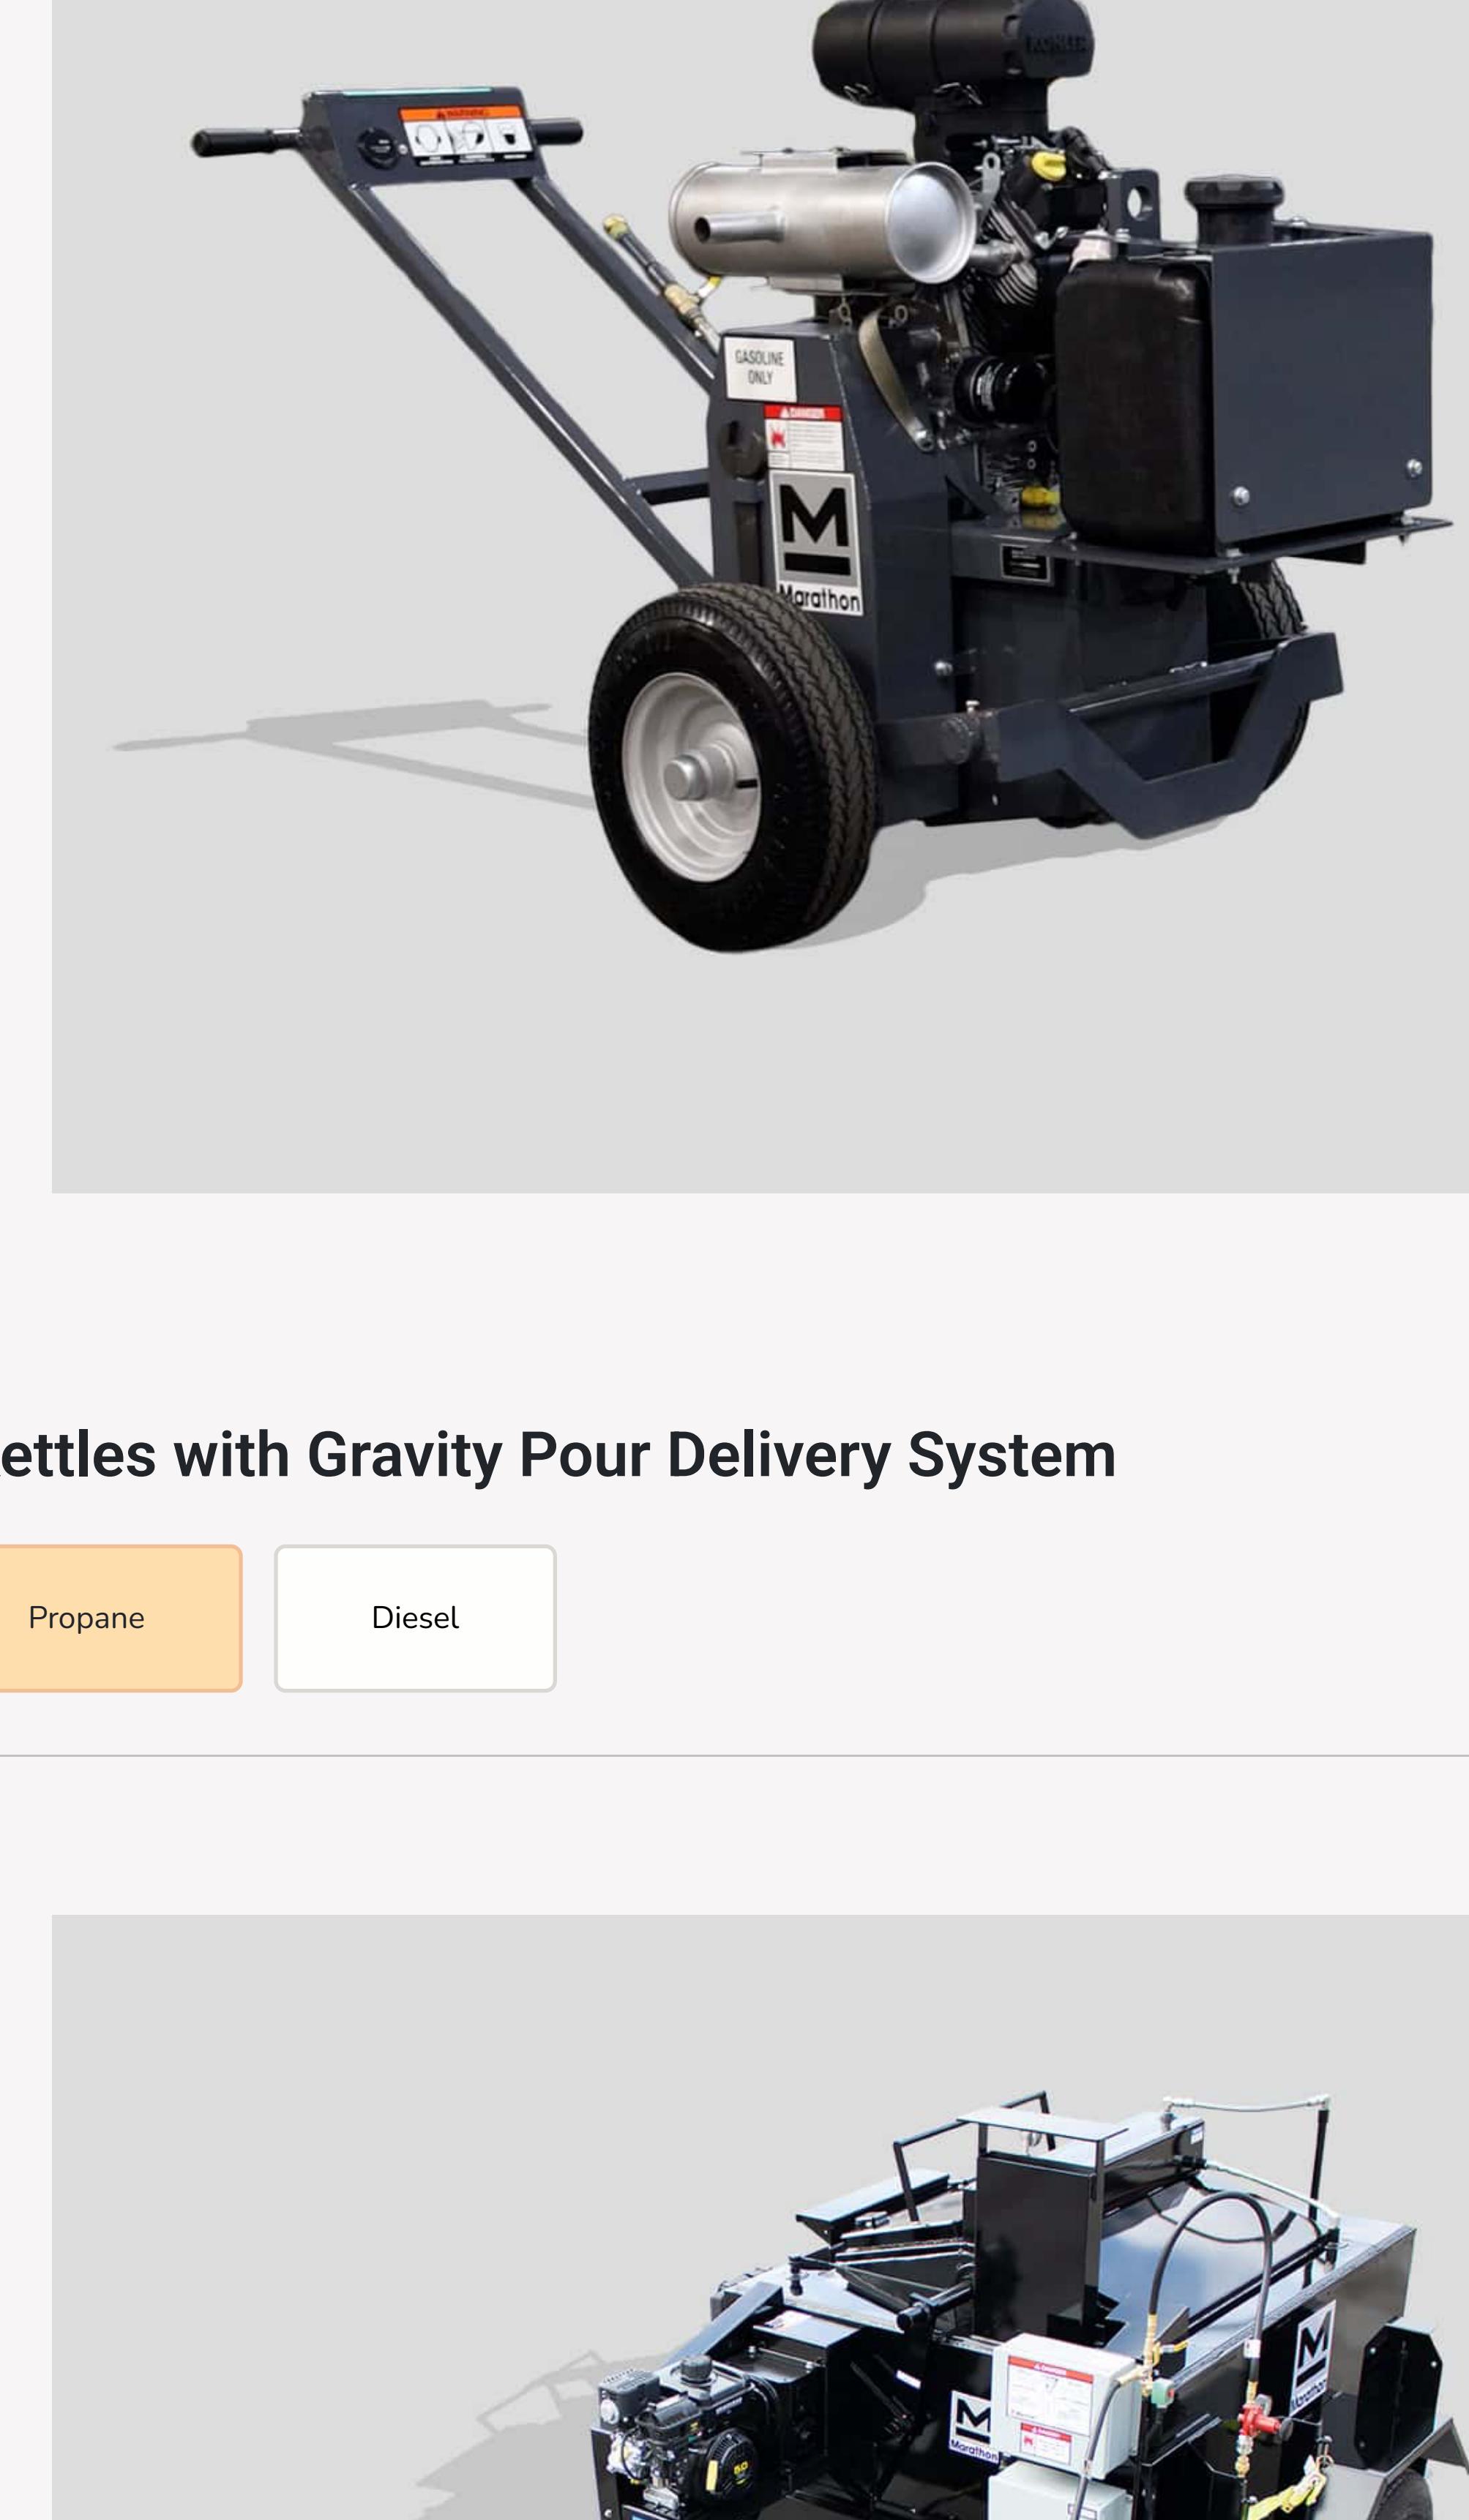

The Marathon Pavement Crack Router offers a more productive method of routing random cracks in asphalt. The balanced weight distribution, inline wheels and cutter head, plus extended handle, effectively reduces operator fatigue and allows for safer, smoother, and more accurate maneuverability.

Concrete Crack Routers

27hp Concrete Router

Marathon has engineered a concrete router to effectively rout meandering cracks in concrete prior to sealing. An electric start 30hp Kohler engine powers this rugged machine through the most demanding conditions. Long life diamond blades cleanly rout cracks, eliminate spills and reduce costly blade change time. An electric actuator maintains accurate, consistent depth of cut.

Oil Jacketed Melting Kettles with Gravity Pour Delivery System

Propane

Diesel

130 gal Gravity Pour Melting Kettle

Tank Capacity (Gallons)

130 GL

230 GL

370 GL

Marathon's gravity fed asphalt melter kettles are capable of heating, melting and dispensing hot applied rubberized material for crack sealing, waterproofing, and roofing. Multiple sizes available from 130 gallon up to 370 gallon capacities.

**Hot Air Lance**

The Marathon Hot Air Lance is a high temperature, high velocity, hot air lance that will easily dry moisture from the pavement allowing the operator to crack seal much faster! This process is ideal for the preparation of crack sealing because it allows for superior adhesion and extends the life of the repair for years to come!
